## Plastic Crates

Fruits Care Agro is firmly focused on the client in terms of development, Production, delivery and customer service. Our Plastic Crates are produced from virgin raw material. We select the appropriate material to meet specific requirements, while also taking into account temperature stability, resistance to vertical loading and mechanical strength. We undertake to take back our products at the end of their life. The plastic material can then be crushed and reused for the manufacture other products.

Fruits Care Agro offers a large product range in order to respond to the needs of different industrial markets such as Fruits & Vegetable, bakery, Industrial, Dairy, food industry, retail, automotive industry, logistics, poultry, agricultural industry, etc
